6.2 Environmental precautions	Prevent entry to sewers and public waters. Notify authorities if liquid enters sewers or public waters.
6.3 Methods and materials for contain	nment and cleaning up
Methods for cleaning up	Soak up spills with inert solids, such as clay or diatomaceous earth. Collect into vapor tight containers and dispose of properly.
Section 7. Handling and storag	ge
7.1 Precautions for safe handling	
Protective measures	Wash hands and other exposed areas with soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in work areas to prevent formation of vapor. When not in use keep containers tightly closed. Avoid breathing vapor or mist.
Hygiene measures	Wash contaminated clothing before reuse.
7.2 Conditions for safe storage, inclu Storage conditions	Store in accordance with local regulations. Store in original container in
5	a cool well-ventilated place away from heat, sparks and open flame.
Incompatible materials	Keep containers tightly closed until ready for use.
