RE: **Duro-Polish** - LEED

To Whom It May Concern:

Nox-Crete Inc. is committed to developing products that support environmentally responsible construction practices and enhance safety for end users. Our team continually works to improve material performance while meeting the evolving sustainability needs of the building industry.

MATERIALS AND RESOURCES CREDIT LEED v4.0/v4.1 MRc3:BPDO

By using building materials or products that have been extracted, harvested or recovered, as well as manufactured including **Duro-Polish** within 500 miles of the project site for a minimum of 10% (5.1) and a minimum of 20% for (5.2) (based on cost) of the total material value. **Duro-Polish** is manufactured in Omaha, NE

RECYCLED CONTENT LEED v4.0/4.1 MRc3- Sourcing of Raw Materials

Duro-Polish is produced using non-recycled post-consumer materials. However, the 55-gallon drums that contain **Duro-Polish** are 100% recycled.

Environmental Impact Declaration (EID) Third-Party Verified LCA v4.0/4.1 MRc3

Duro-Polish is supported by a third-party verified cradle-to-gate Life Cycle Assessment (LCA) compliant with ISO14044, and an Environmental Impact Declaration (EID). Documentation is available upon request.

ADDITIONAL LEED CREDIT CATEGORIES

This product may also contribute to the acquisition of additional LEED credits beyond what is indicated here. Additional information regarding this, as well as Nox-Crete's commitment to building green and our support of the efforts of the U.S. Green Building Council, can be found by visiting our website at www.nox-crete.com.

For additional technical support, please contact our Customer Service Department at (800) 669-2738.

Sincerely,

A handwritten signature in black ink, appearing to read "N. Guerra".
